CITY OF FARMINGTON
INTER-OFFICE MEMORANDUM

TO: Mayor Roberts and City Council

FROM: Kristi Benson
Purchasing Supervisor

DATE: 8/15/2013

SUBJECT: Declaration of Worn-Out, Unusable or Obsolete Property

USING DEPARTMENT: Administrative Services, Central Warehouse
General Services, Vehicle Maintenance
=====

The Central Purchasing Division of the Administrative Services Department concurs with the recommendation from both the Central Warehouse and Vehicle Maintenance to declare the attached list of vehicles as worn-out, unusable or obsolete.

If it is determined the best disposal method for this property is through the City's internet-based Public Surplus auction system, authorization is requested to grant the Warehouse Superintendent authority to issue an immediate e-mail award notification to the highest cash bid received meeting the bidding requirements set forth.

Project request: Reimbursement of the cost associated with attending the 2013 HotZone Hazardous Materials Response Conference.

Narrative

The Farmington Fire Department (FFD), Hazardous Materials (Haz Mat) Regional Response Team (RRT), has an agreement with the State of New Mexico to automatically respond to any level 2 haz mat call within the New Mexico State Police District 10, and on request of the State of New Mexico Department of Public Safety any where in the State.

To keep our training at the highest possible level, the FFD would like to attend the 2013 Hotzone. This is an EPA Region VI and the U.S Department of Homeland Defense sponsored hazardous materials conference in Houston, TX. This is a four day event from Oct. 17th till Oct 20rd. Due to the long travel time, we have to travel on Oct. 16th. We would like to send 2 members of our haz mat team. This would be a great opportunity for training, to check out the latest equipment, and to network with haz mat teams from all over the country.

The FFD applies for a grant of \$3,650.00. This will be an 80%/20% grant with the 20% to be paid by the FFD. This would be \$912.50 which will be offset by the \$1,440.00 salary cost carried by the FFD.

Description

Receipts for all items will be provided after the training.

We are applying for reimbursement of the cost of;

- Registration fee of \$200/pers.
- Lodging. Four rooms, at the Crowne Plaza Houston. This is where the conference is held. If booked already a close by hotel will be chosen. Check in on 10/16/2013, and check out 10/20/2013.
- Per Diem for five days, at the rate of \$45.00/day. Up 20% \$9.00 will be added for tips. Max total \$54.00/day.
- Round-trip flight from Farmington or Durango to Houston.
- The conference is 28 miles from the IAH airport so transportation is needed. With possible luggage fees.

We will use the salaries of the attendants as our 20% match:

- 40 hours of pay for the personnel attending the conference. This would be for one captain (at \$20/hr), and one engineer (at \$16/hr). Actual hour rate will be provided after the attendees are selected.

Budget

Item	Cost each	Quantity	Paid by FFD	Grant request	Total

PROJECT DESCRIPTION

The petitioner is requesting a zone change from the MF-L Multifamily Low Density District to the GC General Commercial District for 0.29 acres at 1001 Farmington Avenue. The property is on the northwest corner of the intersection of 10th Street and Farmington Avenue.

The property has a commercial building which is presently used for personal storage by the petitioner. According to the petitioner, the property was occupied by a baking company for a delivery facility prior to 1999. The petitioner purchased the building in 1999 and used it for personal storage. From 2007 to 2012, he leased the location to a home décor business. The petitioner is preparing to sell the property to a heating and cooling contractor.

The property adjoins GC district zoning on the north, south and east. To the north is a printing business and on the south and east are self-storage units. The property adjoins MF-L district
