Please return the signed original contract, along with the signed New Mexico Employees Health Coverage Form and the completed and signed EEOP Certification Form, no later than **June 13, 2013**. At this time we cannot accept electronic copies of these forms, please mail the originals to my attention. You will receive an electronic copy of the fully executed contract signed by our agency Director and Commission Chair.

In reviewing your agency's application we are in need of the following information prior to the start of the award July 1, 2014. Please submit the following information by June 23, 2014. You can e-mail this information to [CVRC.Grants@state.nm.us](mailto:CVRC.Grants@state.nm.us).

We have received all requested information. If we require anything else we will let you know.

In an effort to streamline mandatory post-award contract requirements, we will be offering the Post-Award Grant Management workshop via webinar. As you are aware, the Post-Award Grant Management Workshop is mandatory for all agencies receiving a FY15 STOP VAWA award.

As part of our **grant monitoring** policies and procedures we are in the process of reviewing your agency's most recent audit report. Audit reports are reviewed in their entirety. Agencies with unfavorable audit reports issued, material weaknesses and/or significant deficiencies will have additional monitoring requirements. These requirements will be sent to your agency via e-mail with a copy of your fully executed STOP VAWA contract.

We appreciate your assistance and compliance with the additional financial monitoring within your agency. It is our collective duty to ensure that we are all good stewards of the funding we monitor and receive.

If you have any questions or need any technical assistance during the grant year please do not hesitate to contact our office. We look forward to working with you this year.

**STOP Violence Against Women Award Contract**  
**Federal Grant # 2013-WF-AX-0039**  
Special Conditions

By accepting this award, the Contractor assumes the following administrative and financial responsibilities:

393. The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Office on Violence Against Women, for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Office on Violence Against Women, this Agreement shall terminate upon written notice being given by CVRC to the Contractor.
394. The Contractor agrees to comply with any additional requirements that may be imposed during the grant performance period if the agency determines that the Contractor is a high-risk subgrantee. Cf. 28 C.F.R. parts 66, 70.
395. The Primary Project Components (Project Plan) will guide the scope of work.
396. Project staff and consultants must be provided a copy of the project proposal and budget. In addition, the program manager agrees to disseminate project information to the project staff.
397. The Contractor understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government without the express prior written approval of OVW, in order to avoid violation of 18 USC § 1913. The Contractor may, however, use federal funds to collaborate with and provide information to Federal, State, local, tribal and territorial public officials and agencies to develop and implement policies to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 42 USC 13925(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.
398. The Contractor understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OVW.
399. The Contractor agrees to comply with the financial and administrative requirements set forth in the current edition of the Office on Violence Against Women (OVW) Financial Grants Management Guide. Including, but not limited to tracking time and activity for all STOP VAWA funded and match staff. The reports must reflect an after the fact determination of actual activities of the employee and be inclusive of all activities performed by the employee, not just time spent towards this award.
400. Maintain separate accounts and accounting records for the STOP VAWA funds. Maintaining project based accounting records does not provide enough detail to track federal funds, therefore, STOP VAWA funds cannot be commingled with any other funding source.
401. The Contractor agrees to supplement and not supplant state or local funds.
402. Payment is reimbursement only. In order to receive payment, a Cash Reimbursement Packet consisting of an original signed monthly or quarterly federal invoice and two copies must be submitted by the Contractor with a corresponding accounting sheet reporting the previous month's expenditures. For those required to submit match, a signed original of the Record of Match Expenditures with a corresponding accounting sheet must also be submitted. The expenditures are to be reported by the categories used on the invoice form. This documentation must be received no later than the 10<sup>th</sup> of the month for the previous month's expenditures or the business day prior if the 10<sup>th</sup> falls on a holiday or weekend. Or, as directed by the Grant Administrator. If documentation is late or inaccurate, reimbursement will be delayed until the following month or until the submitted documentation is corrected.
403. Due to requirements by the NM Department of Finance, all cash reimbursement invoices for grant expenditures made prior to June 30<sup>th</sup> will be due no later than July 10<sup>th</sup>. Cash reimbursement invoices received after July 10<sup>th</sup> for expenditures made prior to July 1<sup>st</sup> cannot be processed and those expenditures will become the responsibility of the Contractor.

404. The Contractor, upon final payment of the amount due under this Agreement, releases CVRC from all liabilities, claims and obligations whatsoever arising from or under this Agreement.
405. The Contractor agrees that all income generated as a direct result of this award shall be deemed program income. All program income must be accounted for and used for the purposes under the conditions applicable for the use of funds under this award, including the effective edition of the OVW Financial Guide as applicable. This is in accordance with regulations for program income under the Common Rule, "Uniform Administrative Requirements for Grant Cooperative Agreements."
406. Any out of state travel line items or categories that are not specifically itemized in the approved budget must receive prior approval from CVRC before any funds for these items are expended.
407. Approval of this award does not indicate an approval of any consultant rate in excess of \$650.00 per day. A detailed justification must be submitted to and approved by the NMCVRC prior to obligation or expenditure of such funds.
408. Maintain and furnish to CVRC and the United States Department of Justice, upon request, detailed financial accounting and supportive records of expenditures and of the matching funds.
409. The Contractor agrees that all equipment and/or technology purchased with grant funds will be used solely to address crimes against women during, and for three years following, the end of the grant budget period.
410. OVW funding cannot be used to purchase food and/or beverages for any meeting, conference, training or other event, except if the following applies: the location of the event is not in close proximity to food establishments; if not serving food will significantly lengthen the day or necessitate extending the meeting; if a special presentation at a conference requires a plenary address where there is no other time for food to be attained; or other extenuating circumstances which necessitate the provision of food. If any of these circumstances apply, the Contractor must submit a written request for approval at least thirty (30) days prior to the event.
411. The Contractor agrees to allow CVRC access to the grant-funded project's documentation, redacted client files and other sources in order to determine that funds are being utilized in accordance with funding/contractual agreements and state and federal guidelines.
412. Provide CVRC with an audit of the program, the audit management letter and a resolution of all the findings if your agency meets the conditions of OMB Circular A-133, which requires an audit if your agency expends at least \$500,000.00 of federal funds during the contract period. If your agency does not meet the conditions of the OMB Circular 133, please submit a "program-specific audit" with a copy of the audit management letter and resolution of all findings.
413. The Contractor understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.
414. The Contractor must promptly refer to the DOJ OIG any credible evidence that a principal, employee, agent, contractor, subgrantee, subcontractor, or other person has either 1) submitted a false claim for grant funds under the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant funds.
