

Swim Lessons & Training

Open Registration: Summer registration is April 1. Fall – spring registration is August 1.

American Red Cross Certified Instructors— All lessons are 30 minutes in length. During the summer season, lessons are taught in two weeks, four days a week either in the mornings at the Farmington Aquatic Center or in the evening at Lions Pool. During our Academic Schedule (Sep – May), lessons are taught in four weeks, two days a week either in the morning or the evening at the Aquatic Center. **Cost:** \$35 for 8, 30 minute sessions.

Adult Swim Lessons – Still haven't learned to swim? Come on over to the Farmington Aquatic Center for lessons during the Academic Schedule.

Preschool Lessons— These are lessons for children ages 3-5. Upon completion of Preschool Aquatics, children may enroll in the American Red Cross Learn-to-Swim Program

Levels 1 – 6— These lessons increase in technicality from Level 1 to Level 6 and are for children ages 6 and older. Pre-requisites required for Levels 2 – 6.

Level 1- The objective of Level One is to help students feel comfortable in the water and to enjoy the water safely. Students will learn elementary water skills which they can build on as they progress through the various levels.

Level 2- Level Two is to give students success with fundamental skills and learn to float without support. Learn basic self-help rescue skills.

Level 3- Students learn to coordinate front and back crawl. Introduce elementary backstroke and the fundamentals of treading water.

Level 4- Level Four develops confidence in strokes learned thus far and to improve other aquatic skills. Introduce breaststroke, sidestroke and wall turns.

Level 5- Coordination and refinement of key strokes. Introduce the butterfly, open turns, feet-first surface dives. Increase swim distances.

Level 6-The objective of Level Six is to polish strokes so students swim with more ease, efficiency, power, and smoothness over greater distances.

You and Me Baby— This program is for infants and toddlers ages 6 months to 3 years with an adult in the water.
