**Note:** The Farmington Museum’s Lost Egypt exhibit brought in great numbers during Spring Break week with 679 attending bringing in nearly $5,600. For the duration of the show it has had 9,554 visitors netting $71,525 in admissions. The Farmington Museum staff continue to work on the Energy Exhibit plans and several traveled to Houston to meet with the museum staff there to discuss collaboration between the museums as we are both working on new energy exhibits. The Riverside Nature Center opened its March Photo Show presenting photos that have been taken in Animas or Berg Park. The E3 Children’s Museum & Science Center received a gift of “nano” technology items from the Association of Science & Technology Centers (ASTC) and will be featuring it in some upcoming programming in April.

Parks Operations

- **Seasonal Maintenance:** Parks began hiring seasonal staff for the upcoming season. Crews will be hired in phases from March to April. Crews completed Salt Cedar and Russian Olive removal along the river near Boyd Park, Berg Park, and Gateway Museum. Crews have been pruning trees and shrubs,pressuring restrooms and irrigation systems. Parks will begin using playground inspection software for monthly and annual inspections.
- **Construction/Maintenance:** Crews began the Sports Complex Wastewater upgrades. Construction and preparation is underway for opening Lake Farmington to non-motorized watercraft May 1st. Erosion control and repairs to the south slope of the Bonnie Dallas Senior Center parking lot. Installation of shade structure at the Sycamore Park Community Center skate park. Construction continues of Oscar Thomas Park restrooms, playground safety surfacing replacement, landscape renovation at 30th and Butler.
- **Special Events:** Crews supported 2 special events.
- **Graffiti Reports:** 58 graffiti reports were taken and all removals complete.

Major Events and Accomplishments:

In March, the Department’s volunteers provided 90.5 hours of volunteer service.

On March 13, the Department conducted an alcohol service compliance operation. Buffalo Wild Wings, Red Lobster, and Applebee’s Bar and Grill all served to our minors. It is important to note that at two of the three locations, the server correctly identified the minor(s) as being minor, but opted to complete the sale anyway, perhaps out of a desire to earn a tip.

During the week of Spring Break, the Department’s DCU officers organized a week-long outreach initiative for the children at the Sycamore Park Community Center, involving the children in safety topics and one-on-one time spent with the officers.

During March, the Department participated in a safety inspection of our building, with items of an immediate nature be resolved quickly, where the cost of resolution was not prohibitive. Substantial repairs to the roofing over the Police Administration offices was undertaken and repairs were made to the drainage system to help alleviate some of the ongoing concerns with the roof’s viability and integrity.

Lieutenant Donnie Kee and Sergeant Richard Gibbons arrived and are three weeks into the course of instruction at Northwestern University’s School of Police Staff and Command. Their attendance at this prestigious program is part of the Department’s efforts to prepare our staff for future positions of leadership in the Department and the Community.

On March 28, the Department’s employees, *en masse*, volunteered their time and energy on behalf of our neighbors at the Hogback Irrigation Ditch clean-up, in partnership with members of the Navajo Nation.

The Department currently has three officers in the Police Academy and five officers in Post Academy Training. For the first time since 2007, the Department is at full staffing and completing the hiring process for the six grant positions of the COPS Grant.
• Foothills Enhancement Project – Holmes to Lakewood; March 6, 2014 - neighborhood endorsed preliminary plan with drainage ponds, crusher fine pathway and roundabouts at Lakewood and Rinconada; accepted MAP Grant for $636,379.00 for Phase I.
