**Note:** World Spay Day was February 23rd and we spayed and neutered 59 owned cats that day. Adoptions continue to increase compared to last year. We also did an adoption event at IFA which was staffed mostly with volunteers. The new transfer van, purchased by the Regional Animal Shelter Foundation was delivered and we will have it to use for transport in the next week or two. We are currently searching for a business to sponsor the cost of a wrap for the van.

Major Events and Accomplishments:

In February, the Code Compliance Unit worked a project located in the area of North Butler, Santiago, and 30th Street, resulting in 72 violations.

On February 24, Officer Jemmet gave a presentation to the children at Gold Star Academy. The feedback from the community regarding the Department’s outreach efforts was overwhelmingly positive.

In February, Chief Hebbe presented certificates of recognition to the two teachers at Apache Elementary who assisted an injured police officer in securing a combative drunk driver in the school’s parking lot.

On February 2, a shooting occurred at the Mesa Village Apartments. The victim had been shot in the head, while at his home. Investigation quickly identified the suspects and warrants were issued for their arrest on the next day.

On February 5, the suspects, Raul Dominguez Lopez Jr., Tia Largo, and Denise George, were arrested in Albuquerque through a joint operation with the US Marshals. Our Detectives were present to interview the suspects, furthering their investigation of the shooting. The victim, although having a serious brain injury from a through and through bullet wound, was treated in Denver for the serious traumatic injury. Miraculously, he has been returned to Farmington for ongoing medical treatment but has been able to answer questions posed to him by the investigating Detectives.

An overnight snow on February 1 caused significant amounts of crashes, particularly on Pinion Hills Boulevard, where numerous crashes occurred in a small section of the roadway below Piedra Vista High School.

During February, two different crimes which had been posted on the Department’s social media platforms resulted in the identification and prosecution of the suspects.

On February 12, two Farmington Police Officers graduated from the San Juan County Criminal Justice Training Academy, Kellie Mason and Greg Burridge. Officer Mason received the Valedictorian Award for the Academy.

Two long-term officers of the Farmington Police Department retired: Steven Smith, our lead Bomb Technician, and Wilson Charley, a Region II Narcotics Investigator.

In February, 3 new employees were hired for the vacant CSO Transition positions: Alma Chavez, Kristalee Keeling, and Samantha Malouff.

In order to reduce the number and frequency of the minor accidents that had been traditionally occurring while police vehicles were parking in the rear, drive-through alley of the Department, the entire area was changed to a “no parking” zone, thus eliminating the tight conditions which were leading to unnecessary and preventable vehicle damages.

Total Ridership this month: 12,225
Year to Date (Jan-Dec): 22,235

There was an increase in all routes this month!!! (Even with less days this month than last month).

The Saturday route has shown a steady increase now topping 332 riders (before implementing the changes in August, the Saturday route had 181 ridership). Currently working on removing the Non-revenue miles from the Saturday route and using that open time to add the 20th street bus stops to it. This should bring more increased ridership to the Saturday route because the Yellow route has shown an increased in ridership by adding 20th Street.

Budget

Worked on the budget this month. Used last year’s figures to compare with this year’s figures to create the new FY17 budget. Numbers look solid with a decrease in percentage while maintaining the same operations.

Navajo Nation Veterans Outreach

Invited to attend the Navajo Nation Veterans Outreach meeting held at San Juan Regional Medical Center. Members included Department of Navajo Veterans Affairs, Hospital Representatives, and Community Leaders that were seeking information on services provided to veterans. I was asked to attend to inform how the Red Apple provides bus service to the hospital.

Undercover Operations

Working with the police department in officers doing undercover rides to ensure the safety of the passengers.
