TYPE OF BID: LINE ITEM BID

ALTERNATE AWARD EVALUATION: Whichever deems in the best interest of the City, the City reserves the right to award the bid in total, by groups of items on the basis of individual items or any combination of these; or as otherwise specified in the bid terms unless the bidder qualifies his bid by specific limitations. Only the City is in a position to determine its own best interest, therefore the City shall be the sole judge in determining the award analysis. Its decision shall be final.

If qualifying a bid, the Bidder must clearly state so in their bid response on a separate sheet of paper title "Exceptions to Specifications." If the Bidder's pricing is subject to change if the City elects to award a category bid based on group of items or line items; or any part of the Bidder's bid is dependent upon receiving a complete category award, then the Bidder's bid response must identify these restrictions. Exemptions must indicate which items or which categories they are bidding on an "all or none" basis, they must indicate if they are qualifying their bid based on a minimum threshold dollar award limit, or any other type exemption. Bid responses with exceptions may result in rejection of the whole bid or partial line items within the bid.

EXCEPTIONS TO SPECIFICATIONS: Pursuant to Article 5 of the General Conditions of this bid, any exceptions taken shall be noted on Bidder's business letterhead and submitted with this bid.

REQUIRED UNIT OF MEASURE: Bidder must correctly extend their bid line items based on the UOM (Unit of Measure) packaging indicated for bid comparison purposes. Bidders submitting their bid with no extended pricing or total may be considered non-responsive.

Bids submitted are to be quoted and invoiced as per UOM listed on each line item. No other UOM will be accepted and the City reserves the right to reject the category or line item not quoted or invoiced as requested.

ESTIMATED TERM QUANTITIES: The City anticipates ordering quantities as shown on the Bid Schedule above for the first term of this Agreement. The City does not guarantee a minimum amount to be purchased during the term of the contract. Quantities are estimated only and the City reserves the right to order more or less than the quantities listed.

DELIVERY DATE: The City of Farmington reserves the right to award to the Bidder with a substantial shorter lead time, if deems to be in the best interest of the City.
