## Code of Ethics

To consider the interests of our city in all transactions and to carry out and believe in its established policies. To be receptive to competent counsel from our colleagues and to be guided by such responsibility of our office. To buy without prejudice, seeking to obtain the maximum ultimate value for each dollar of expenditure. To strive consistently for knowledge of the materials and processes of manufacture, and to establish practical methods for the conduct of our office. To subscribe to and work for honesty and truth in buying and selling, and to denounce all forms and manifestation of commercial bribery. To accord a prompt and courteous reception, so far as conditions will permit, to all who call on a legitimate business mission. To respect your obligations and to require that obligations to you and to your concern be respected, consistent with good business practices. To avoid sharp practices. To counsel and assist fellow purchasing professionals in the performance of their duties, whenever occasion permits. To cooperate with all organizations and individuals engaged in activities designed to enhance the development and standing of Purchasing.

## WE SUBSCRIBE TO THESE STANDARDS
