FOR IMMEDIATE RELEASE – PUBLIC SERVICE ANNOUNCEMENT

Duck Stamp Art Workshop

The Riverside Nature Center announces the first Young Artists' Duck Stamp Art Workshop on February 25, 2012 from 1:00 to 3:00 p.m.

The Riverside Nature Center is exhibiting the winners of the 2011 U.S. Fish and Wildlife Service Junior Duck Stamp Art Contest. Learn how to prepare your own entry for this national contest. The workshop is geared towards young artists grades K through 12.

Attendees will analyze the current exhibit with the help of adult artists. Plan your own entry depicting waterfowl in their natural habitat, while you observe the ducks right outside. Bring your camera to document what you see. Your art could be in the traveling exhibit next year. Sketching material will be provided, or bring your own.

The Riverside Nature Center is located in Animas Park off Browning Parkway in Farmington, NM.

For additional information on the exhibit or exhibit reception, contact Donna Thatcher at (505) 599-1422.

ABOUT THE RIVERSIDE NATURE CENTER – The Riverside Nature Center is a part of the City of Farmington Museum System. The Museum System is a division of the City of Farmington department of Parks, Recreation, and Cultural Affairs.
