

Scheduling Field Trips

How do I schedule?

A tour request form can be faxed or mailed to the teacher. Soon the form will be available online.

Extra Forms can also be picked up at the Front Desk at E3. Teachers are asked to fill out three choices for their tour date. If their first choice or second is not available I will call or email them to choose new dates. Tour CONFIRMATION letters will be sent 4-6 days after the request is submitted.

What is the grade level goals for the exhibition?

Students in middle and upper Elementary grades will most benefit from the exhibition. ROBOTICS is a great way to introduce students to the engineers, computer programming and sensory technology used in robots.

What is the Cost?

Special Exhibition Fees Apply

\$2.00 per student

1 Chaperone ticket free for every 6 students

Additional Adults \$5.00 each
