Keep Performing **Arts Alive**

Sandstone Productions is the only professional theater company in the area. Sandstone Productions brings visitors and their dollars to Farmington, it provides a professional acting experience for stage performers, and it provides summer jobs ranging from performers to stage crew – from technicians to concession staff. Not only that, but it provides a unique, live, outdoor theater experience for residents of the Four Corners and beyond.

Tax Deductible

Sandstone Productions is a non-profit agency as part of the City of Farmington. While the City of Farmington is not a 501(c)3 organization, donations are still tax-deductible. You will receive a letter of thanks with the amount of your donation and our Tax ID to use for your tax purposes.

Fundraising Goal

In order to fully fund the 2011 season, we must raise \$20,000 to cover the current shortfall. Any additional monies will go to fund the 2012 season

Payment Deadline

All funds must be received by
April 29

Unique Sponsorship Opportunities

Sandstone Productions would like to invite you to support our 2011 production of “Joseph and the Amazing Technicolor Dreamcoat.” With enough funding we will not short-change the possibility of a 2012 season. **The goal is to raise \$20,000 by end of April 2011.** Any additional funding above the required \$20,000 will go towards the 2012 season.
