These tornado driven dancers and rock musicians propel the audience into delirious ovations.**" *Movin' Out* brings 24 Billy Joel classics to electrifying new life as it tells the story of five life-long friends over two turbulent decades. It all adds up to one unforgettable Broadway musical.

### *Dirty Rotten Scoundrels*

Based on the popular 1988 film of the same name, this show centers on two con men living on the French Riviera. The first is the suave and sophisticated Lawrence Jameson, who make his lavish living by talking rich ladies out of their money. The other, a small-time crook named Freddy Benson, more humbly swindles women by waking their compassion with fabricated stories about his grandmother's failing health. This is a hilarious story that will keep audiences laughing, humming, and guessing to the end!
