Courtesy USGS/EROS Data Center.

OUT OF THE BLUE

Fee: FREE

Stop by the Farmington Museum to view *Out of the Blue*, an exhibit of contemporary fiber art comprised of various artists from the Studio Art Quilt Associates of New Mexico. The fiber art focuses on interpretation of the color blue from representing the natural world of sky and sea to societal values like wisdom, intelligence, and trust. Come and see the various fiber techniques used by New Mexico artists in this beautifully designed show.

SCIENCE & LEARNING

FAMILY SPACE NIGHT

Fee: FREE

Celebrate the winter skies and learn about our universe at our annual Family Space Night. There will be star legends from many cultures in the Stardome planetarium, and a chance to observe the sky through a telescope on the terrace (weather permitting). Explore the many fun stations such as Space Station Fun, Navigating the Surface of Mars, Astronaut Pudding, Pop Rockets, measuring hand strength with our Vernier Probes, and much, much more!! We will also have a fascinating *Earth from Space* photo exhibit.

Ages: ALL
