

2020 Road Apple Rally

Registration & Time Reporting Instructions

Registration:

Register online at www.fmtn.org/WebTrac under "Sports & Athletics".

Pro Tip: Click on the little shopping cart to ADD the race to your cart.

Registration is open September 1 - October 17 at 12:00 pm.

Riders must be registered **BEFORE** you ride the course.

Download mail-in registration at: www.RoadAppleRally.com

Mail-in registration must be postmarked by October 2.

Reporting Times:

You may use either Strava or MTB Project apps to record your time on the course.

A screenshot of your recorded ride from the app must show DATE OF RIDE, COMPLETION TIME, DISTANCE, and MAP OF COURSE RIDDEN.

Riders **MUST** ride the official Road Apple Rally course in accordance with previous years.

The Road Apple Rally 'START' and 'FINISH' line can be found at Lions Wilderness Park outside the amphitheater in accordance with previous years.

Using Strava

1. Download Strava to your Android or iPhone from the app store.
2. Create your account. (Make sure you allow Strava to access your GPS location)
3. Choose "Ride" if prompted to "Choose a Sport".
4. Once you are at the official Road Apple Rally START line, open the app and press "Record".
5. Press "Start". Once the app begins recording your time, begin the race. (DO NOT press "Stop" until you have completed the race. Rides with stops in time WILL NOT be accepted)
6. Once you have finished the race, press "Stop" IMMEDIATELY. (Riders are responsible for stopping their time upon finishing. Time shown in app is the time we will record)
7. Take a screenshot of your finished ride ensuring all required information is shown.
8. E-mail your screen shot to reccenternm@gmail.com with "2020 Road Apple Rally" in the subject line. (Include name, age, and ride category in the e-mail)

Using MTB Project

1. Download MTB Project to your Android or iPhone from the app store.
2. Create your account. (Make sure you allow MTB Project to access your GPS location)
3. Once you are at the official Road Apple Rally START line, open the app and press "Record"
4. Press "Start". Once the app begins recording your time, begin the race. (DO NOT press "Pause" until you have completed the race. Rides with stops in time WILL NOT be accepted)
5. Once you have finished the race, press "Pause" IMMEDIATELY. (Riders are responsible for stopping their time upon finishing. Time shown in app is your official ride time)
6. Save your ride and take a screenshot of your finish map showing the GPS ride map, and distance. Saved rides can be found under the "Account" icon under "My tracks".
7. E-mail your screenshots to reccenternm@gmail.com (Include name, age, and ride category)

COURSE ALTERATIONS AND POTENTIAL COURSE HAZARDS 2020

LONG COURSE (30 MILE):

- Upon crossing the orange starting line outside of Lions Wilderness Amphitheater, riders will follow the orange arrows on the ground directing them to take the foot path to the left of the main road which will take riders through the pedestrian gate as opposed to the vehicle gate
- Upon reaching the Lakewood St. crossing from the Anasazi Trail, the vehicle gates WILL NOT be open. Riders will need to utilize the pedestrian gates which are marked with orange arrows along the ground. Use extreme caution when exiting and entering these gates due to safety posts.
- **REMINDER:** There are no volunteers on the course for the 2020 race. Please use extreme caution at all intersections which cross public roadways.

SHORT COURSE (15 MILE):

- Upon crossing the orange starting line outside of Lions Wilderness Amphitheater, riders will follow the orange arrows on the ground directing them to take the foot path to the left of the main road which will take riders through the pedestrian gate as opposed to the vehicle gate
- Upon approaching the intersection of Sandalwood Dr. and College Blvd. riders will turn right onto the Anasazi Trail off of Sandalwood Dr. INSTEAD of taking the right turn onto College Blvd.
- Upon reaching the Lakewood St. crossing from the Anasazi Trail, the vehicle gates WILL NOT be open. Riders will need to utilize the pedestrian gates which are marked with orange arrows along the ground. Use extreme caution when exiting and entering these gates due to safety posts.
- As in years past upon returning to the finish line, riders will once again utilize the Anasazi Trail as opposed to returning via College Blvd.
- **REMINDER:** There are no volunteers on the course for the 2020 race. Please use extreme caution at all intersections which cross public roadways.
